***YES!** I support the Ontario Council of Folk Festivals and its ongoing mission to foster and promote traditional, contemporary and multicultural folk music and related arts by strengthening and advancing festivals, organizations and individual initiatives through education, networking and advocacy...*

\*The introduction of the HST in Ontario provides an added incentive to renew early, BEFORE the "transitional period" that exists in the two months before full implementation of the new tax regime. Because annual memberships provide benefits beyond the July 1, 2010 HST implementation date, special transitional rules govern how the taxes are collected by organizations like the OCFF.
